

Milestone Merits Recognition 2018

IMC Ramkrishna Bajaj National Quality Award Trust introduced the Milestone Merits Recognition in 2018. This initiative is an online submission and assessment process in any four categories – Leadership, Customer Focus, Workforce Focus and Operations.

Milestone Merits are robust. The Criteria for each of the four Milestone Merits are the same as those for the corresponding criteria in the IMC Ramkrishna Bajaj National Quality Award model.

The Milestone Merits can be earned by any organization, from any sector, of any size.
